January 7, 1972

To whom it may concern:

I highly recommend Dianne Little, who was in our employ
from October, 1971 to January, 1972.

During this time, she performed her duties in a most
admirable manner and was a real asset to our organization.
She would make a fine employee for anybody.

Yours very truly,

Thomas J. Bridges
Regional Director
Roland Agencies-Western States, Inc.
